A Valuable Prescription.

Editor Morrison, of Worthington,
Ind., "Sun," writes: "You have a
valuable prescription in Electric Bit-
ters, and I can cheerfully recommend
it for Constipation and Sick Headache,

equal." Mrs. Annie Stickle, 2025 Col-
tage Grove, Ave., Chicago, was all run
down, could not eat nor digest food,
had a backache which never left her
and felt tired and weary, but six bot-
les of Electric Bitters restored her
health and renewed her strength.

JERSEY CATTLE.—A calf containing
sixteen Jerseys was attached to the
Salem local in Portland Sunday after-
noon and was sidetracked at Chem-
awa to be the property of the Indian
Training school. The cattle came
from Chehalis, Washington, where
there was formerly located an Indian
school which has recently suspended
operations. The calf was in charge of
Disciplinary Brewer, of the Chem-
awa school, who went to Chehalis to
look after and accompany the cattle to
Chemawa.

Deafness Cannot Be Cured

by local applications as they cannot
reach the diseased portions of the
ear. There is only one way to cure
deafness, and that is by constitutional
remedies. Deafness is caused by an
inflamed condition of the mucous
lining of the Eustachian tube. When
this tube is inflamed you have a
rumbling sound or imperfect hearing,
and when it is entirely closed, Deaf-
ness is the result, and unless the
inflammation can be taken out, and
this tube restored to its normal con-
dition hearing will be destroyed for-
ever; nine cases out of ten are caused
by catarrh, which is nothing but an
inflamed condition of the mucous
surfaces.

We will give One Hundred Dollars
for any case of Deafness (caused by
catarrh) that cannot be cured by
Hall's Catarrh Cure. Send for cir-
culars; free.

SCHOOL FUND DISTRIBUTION.

Amount to be Received by Each County
Under Apportionment.

The board of school land commis-
sioners has made the following appor-
tionment of the interest arising from
the irreducible school fund upon the
certificate, made by the superintendent
of public instruction, of the
number of children of school age in
the various counties of the state, and
the statement of the state treasurer as
to the amount of funds on hand, the
per capita tax being \$1.05 per scholar,
the same that it was in 1895 when the
number of school children were 2688
less than this year. The following is

Revival Services.

The services in the Evangelical
Church Seventeenth and Chemeketa
streets, yesterday conducted by the
Klein Brothers of Reading, Pa. The
young evangelists were largely at-
tended and great interest manifested.
The services are conducted in the old
time manner and shouts of "Hal-
lelujah" arose from every part of the
congregation.

In the Holiness meeting at 3 p. m.,
at least 10 seekers were at the altar.
At the evening service the church was
crowded to the doors, many being
compelled to stand. A number of
seekers were again at the altar.

Tonight at 7:45 an old-fashioned
"love-feast" service will precede the
revival service.

On Tuesday at 3 p. m. there will be
Children's service and 3:30 p. m. an-
other Holiness meeting.

The Klein Brothers will preach ev-
ery night until further notice.

BORN.

BURROUGHS.—Friday, July 24, 1896,
to Mr. and Mrs. T. S. Burroughs of
North Salem, a 10-pound boy.

DIED.

ROBBINS.—Clarissa Earl Robbins
was born at Hartley, Province of
Quebec, April 2, 1856, and died in
this city at the residence of Joseph
Sellwood, August 3, 1896, aged 40
years, 4 months and 1 day.

Mrs. Robbins is well known in this
city, having lived hereabouts for a
number of years, but more recently
having her home near Ellensburg,
Wash.

Sometime since two of her children
died of diphtheria. After their death,
Mrs. Robbins began to fail in health,
and it was thought best for her to
come to the home of her sister, Mrs.
Sellwood, hoping the change would
be for the better. The hoped for im-
provement failed to take place, and
her husband was telegraphed for. He
came immediately, and was by her
bedside constantly until the end came;
waiting upon her with great devotion
assisted by the family of Mr. Sell-
wood. Her eldest son, Rodney White,
arrived a few days ago. She leaves a
devoted husband, three children and
many friends.

Notice of the funeral will be given
later.

The Ideal Panacea.

James L. Francis, Alderman, Chi-
cago, says: "I regard Dr. King's New
Discovery as an Ideal Panacea for
Coughs, Colds and Lung Complaints,
having used it in my family for the
last five years, to the exclusion of phy-
sicians' prescriptions or other prepara-
tions."

Rev. John Burgess, Keokuk, Iowa,
writes: "I have been a Minister of
the Methodist Episcopal Church for
fifty years or more, and have never
found anything so beneficial, or that
gave me such speedy relief as Dr.
King's New Discovery." Try this
Ideal Cough Remedy now. Trial Bot-
tles free. Fred A. Legg's Drug Store.

SUBSTANTIAL IMPROVEMENTS.

Commenced On Salem Consolidated
Street R. W. Line Today.

The Salem Consolidated street rail-
way company through its receiver, F.
R. Anson, has made arrangements for
improving the road from the corner of
Fourth and Chemeketa streets to the
Williamette hotel. Although re-
pairs have been continually made
along the line, a much more extensive
improvement will now be carried out.
All old ties will be replaced with new
besides making other such repairs as
are necessary. That part of the road
in South Salem and also east of Four-
teenth street are in comparatively
good condition and need no repairs.

These repairs will not in the least
interfere with the prompt and effi-
cient service of the street car company
which will make regular trips on
schedule time while the repairs are
being carried on. The work will be so
arranged that the dirt may be removed
from about the ties during the day
and the old ties will be replaced dur-
ing the night by new ones. More
hands will be added tomorrow morn-
ing and the work will be pushed to a
hasty finish. It is thought the work
can be completed by the 1st of Sep-
tember.

We would like to impress you with the idea that we are
the tea sellers of Salem. Our teas are new crop and always
give perfect satisfaction. Our uncolored teas at 25c and 30c
will match with most 50c teas sold in Salem.

Our "Cracked Java" coffee is of the best grade obtainable,
and our prices all right, too. Cast your eyes on our our dis-
play in front of the store. It will pay you.

HARRITT & LAWRENCE,
P. O. Grocery.

This work gives employment to
about twenty-five men who have been
badly in need of work. The condi-
tion of the road will be greatly im-
proved by these repairs as at present
it is quite uneven at places.

For Sick Headaches.

The popularity of Hood's Pills as
a remedy for sick headache, stomach
and liver trouble is rapidly increasing.
An Oregon lady writes: "I have been
taking Hood's Pills for sick headache
and have been very much benefited.
I recommend them to all who have
been suffering from this disease."
Mrs. Douglas, Springfield, Or.

Hood's Sarsaparilla is the one true
blood purifier.

The dealer who says, "I have no
Hoe Cake soap," practically admit-
ting that he does not sell first quality
goods. If he says he has something
"just as good" you will know at once
that he is trying to sell you an in-
ferior article. There is more clothing
destroyed by poor soap than by actual
Hoe Cake, as the free alkali rots the cloth.
Hoe Cake contains neither free alkali
nor worthless filling.

Ministers Should Use Dr. Miles' Heart Cure.

THERE IS NO PROFESSION, whose
labors so severely tax the nervous sys-
tem, as that of the ministry. The de-
mands of the nerve centers of the brain
by over work frequently brings on attacks
of heart trouble, and nervous prostration.

Rev. J. P. Foster, M. D., Pastor of B.
church, London Mills, Ill., himself a phys-
ician, writes Feb. 23, 1893: "Heart affection
and nervous prostration had become so
serious last fall that a little over work in
the pulpit would so completely prostrate me
that it seemed certain I must relinquish the
work of the ministry entirely. Heart palpi-
tation became so bad that my auditors
would ask me if I did not
have heart disease. Last
November I commenced taking Dr. Miles'
New Heart Cure alternately with Dr. Miles'
Nervine and derived the greatest possible
benefit. I have just closed revival work of
10 weeks, preaching nearly every night and
twice on the Sabbath. I can speak for hours
without suffering as I formerly did. Hard
working ministers should keep Dr. Miles'
New Heart Cure on hand."

Dr. Miles' Heart Cure is sold on guarantee.
Not bottle will refund or money refunded.
